- + Masters in Building Surveying (UWS)
- + Bachelor of Building (Majoring in Building Surveying and Construction Management)
- + Member Australian Institute of Building Surveyors
- + Member of the Association of Accredited Certifiers
- + Grade 1 Accredited Certifier

Adam is an Accredited Grade 1 Certifier and Building Surveyor with over 10 years experience operating in the private sector. Adam joined the Company (then known as Blackett Maguire & Associates) at the beginning of 2003, and has become an integral part of the company.

Adam has gained an in-depth knowledge of the planning and building legislative framework within NSW which ensures clients are assisted in an extensive range of matters involved in the building approvals process.

Adam is able to provide clients with a broad range of services ranging from regulatory consultancy advice having regard to the requirements of the building code of australia, australian standards, the access premises standards and the commonwealth aged care instrument, design advice for existing and new projects, fire safety upgrades, management of annual certification of essential fire safety measures together with all aspects of the building certification system within NSW.

Adam's knowledge and expertise extends to all types of developments within the built environment with significant experience provided to clients in health and aged care, large scale industrial, mutli storey residential, mulit storey commercial and certification of essential fire safety measures.
