

Alvin Bergado

- + Bachelor of Construction Management and Property (University of New South Wales) (Major; Building)
- + Master of Building Surveying (University of Western Sydney) (Currently undertaking)
- + Associate Member Australian Institute of Building Surveyors (AIBS)

Alvin joined BMG in 2014 and has brought with him a wide-ranging understanding of the Building Code of Australia and relevant construction knowledge. He is a member of the Australian Institute of Builder Surveyors and is currently undertaking a Master of Building Surveying.

Currently at Blackett Maguire + Goldsmith, Alvin is comprehensively engaged in large and small scale projects across public and private sectors of the market for building certification and Building Regulations consultancy services.

Alvin has more than 5 years' experience within the construction industry and this has helped him to develop extensive skills to address performance based issues and understands the need to simplify the building approval process and building regulation matters for his clients.
