

CONSTRUCTION
CERTIFICATE
APPLICATION

Information for the Applicant

- + A construction certificate has no effect if it is issued after the building work or subdivision work to which it relates is physically commenced on the land to which the relevant development consent applies.

APPLICANT

Note – This must be the person having the benefit of the Development Consent. Cannot be the builder unless the builder is the owner of the property.

SUBJECT LAND

Location and title details of the land where the building work or subdivision work is to be carried out.

Unit / Street No.

Street Name

Suburb / Town

State

Postcode

Lot No.

DP / SP No.

PROPOSED DEVELOPMENT

Briefly describe the development. For example, if a dwelling is proposed, include information such as the type of building (house, townhouse, villa etc.), the number of floors, the number of bedrooms, the major building material (brick, brick veneer, timber clad etc.)

Description

Existing BCA Classification

Proposed BCA Classification

Estimated Cost of Works (incl GST)

The estimated cost of works is the contract price, or if there is no contract a genuine and accurate estimate, for all labour and material costs associated with all demolition and construction required for the development, including the cost of construction of any building and the preparation of the building for the purpose for which it is to be used (such as the costs of installing plant, fittings, fixtures and equipment). GST is also to be included.

DEVELOPMENT CONSENT

Development Consent No.

Date of Determination

Consent Authority

DA Applicant Name:

Has a Section 82a review of determination been submitted to Council?

Yes

No

Does the development relate to building work or subdivision?

Building Work

Subdivision

Does the application relate to a residential flat development which was required, under Clause 50(1A) of the EP&A Regulation, to be accompanied by a design verification from a qualified designer?

Yes

No

If yes, please provide a statement from a qualified designer which verifies that the plans and specifications achieve or improve the design quality of the development for which development consent was granted, having regard to the design quality principles set out in Part 2 of State Environmental Planning Policy No.65: Design Quality of Residential Flat Development (SEPP 65).

CONSENT OF OWNER & AUTHORITY TO ENTER AND INSPECT LAND

A certifying authority must not issue a construction certificate for development on a site which affects an existing building unless the certifying authority (or an accredited certifier, Council or consent authority on behalf of the certifying authority) has carried out an inspection of the site of the development.

If the applicant is the owner of the land, by signing the application authority is given to Blackett Maguire + Goldsmith to enter the subject property at any reasonable time for the purpose of carrying out an inspection in connection with the assessment of the Application. The applicant undertakes to take all necessary steps make access available to the property to enable the inspection to be carried out.

If the applicant is not the owner of the land, the owner(s) must sign the following statement.

As the owners of the subject property, I / we consent to the application and I / we consent to Blackett Maguire + Goldsmith to enter the property at any reasonable time for the purpose of carrying out an inspection in connection with the assessment of this application. I / we accept to take all necessary steps to make access available to the property to enable the inspection to be carried out.
