

## David Martin

- + Graduate Diploma in Building Surveying (Currently Undertaking Studies)
- + Associate Degree in Building Surveying
- + TAFE Diploma of Building Studies
- + UTS: Centre for Local Government – Certification Short Course
- + Member of Australian Institute of Building Surveyors
- + Member of Association of Accredited Certifiers
- + Member of the Golden Key Honour Society
- + Accredited Certifier Grade A3

David is a Building Surveyor and Accredited Certifier Grade A3 and has been involved in the construction industry as a building certification practitioner for over 6 years.

At Blackett Maguire + Goldsmith, David is extensively involved in building certification of residential, commercial and industrial developments ranging from small residential apartments complexes to substantial commercial, retail and industrial fitouts. This has given him considerable knowledge of prescriptive and performance based building control regulations and all adopted technical standards.

David has extensive experience in approvals required under the following Environmental Planning Instruments; State Environmental Planning Policy (SEPP) (Exempt & Complying Development Codes) 2008, SEPP (Affordable & Rental housing) 2009, SEPP Infrastructure 2007.

Previously, David held positions at Sutherland Shire Council's Development assessment team acting in the role of Building Surveyor. During this time in local government he gained invaluable experience in undertaking building approvals and applying the planning provisions of building control regulation.
