

Michael Potts

- + Bachelor of Construction Management (sub-majoring in Building Surveying) - WSU
- + Graduate Diploma in Building Surveying - WSU
- + A1 Accredited Certifier (unrestricted) - NSW Building Professionals Board

Michael has 10 years' experience as a Building Surveyor in the public and private sector, previously working with the City of Sydney Council and Blacktown City Council, then joining Blackett Maguire + Goldsmith in 2013.

His role has developed and includes providing building code consultancy services, building certification, and due diligence report for a range of building developments, including aged care, healthcare, residential, commercial, retail, and industrial as well as conducting BCA audits of existing buildings.

He is able to provide input into the design to enable the feasibility of projects to be determined and provide value engineering advice to assist in the cost effectiveness of projects.

His experience in both the public and private sector has given him a broad knowledge and in-depth knowledge in relation to building regulations, and planning and building legislative framework.
