

## Aaron Redfern

- + A1 Accredited Certifier – NSW Building Professionals Board
- + Graduate Diploma in Building Surveying (UWS)
- + Diploma of Environmental Health and Building Surveying (Sydney Institute of Technology)
- + Member of the Association of Accredited Certifiers

Aaron joined Blackett Maguire + Goldsmith in 2015, having worked in both Local Government and the Private Sector as a building surveyor since 2004. He also has experience working in the UK as a Fire Safety Consultant.

With over 10 years in the building surveying industry, Aaron has a sound knowledge of the Building Code of Australia and building regulations in NSW. He holds Grade A1 accreditation with the NSW Building Professionals Board.

Aaron's experience includes involvement in an expansive range of projects of all sizes, in particular commercial, industrial, retail and residential developments.

Aaron is capable of providing clients with an extensive range of services ranging from regulatory consultancy advice, design advice for existing and new projects and management of the certification process, with attention to ensuring important milestones are reached.
